

# SY KINGSBARN

## The high-performing all-rounder

SY KINGSBARN is the most popular hybrid barley variety - with over 20 years of HYVIDO® innovation & breeding expertise behind it.

### SY KINGSBARN at a glance

- The number one hybrid barley variety in the UK
- An ideal choice for all regions
- Great grain quality
- Easy to grow

“

SY KINGSBARN is our hybrid of choice because every season it is extremely vigorous, delivering high biomass. We particularly like **SY KINGSBARN** because it is a robust variety which has good resistance to lodging and is extremely competitive in the spring.
